

Declaration

To whom it may concern

This is to confirm that the battery

- **GEB111**
- **GEB121**
- **GEB121C**

contains one of the following types of NiMH cells:

- **Sanyo Nickel-Metal Hydride Battery**
- **FDK TWICELL Nickel-Metal Hydride Battery**

This declaration is issued based on our current status of design and manufacturing. Please refer to the attached Material Safety Data Sheet(s).
