

Leica DISTO™ D2

Technical data sheet

Delivery package Leica DISTO™ D2

Art. No. 837031

- Leica DISTO™ D2 laser distance meter
- Holster
- Hand loop
- Batteries

Technical Data	Leica DISTO™ D2
Typ. measuring accuracy	± 1.5 mm
Range	0.05 up to 100 m
Measuring units	m, ft, in
X-Range Power Technology	x
Display illumination	x
Free App	iOS / Android
Data interface*	Bluetooth® SMART
Battery life time**	up to 10,000 measurements up to 20 h of operation
Batteries	type AAA, 2 x 1.5 V
Protection class	IP 54 (dust and splash water protected)
Dimensions	116 × 44 × 26 mm
Weight with batteries	100 g

* System requirements and other details can be found at www.disto.com

** Reduced in Bluetooth® or WLAN mode

Laser class 2 in accordance with IEC 60825-1

- when it has to be **right**

Leica
Geosystems

Leica DISTO™ D2

Functions

- Distance measurement
- Addition
- Subtraction
- Area measurements
- Volume measurements
- Memory
- Automatic end piece
