

Okuma's Intelligent Technology

- **Thermo Friendly Concept:**
Highly stable machining accuracies
- **Collision Avoidance System:**
Collision free machining
- **Machining Navi:**
Optimum cutting conditions to suppress chatter
- **5-Axis Auto Tuning System:**
Gauging and compensation of geometric errors

Directions to NCMT Middlemarch Technical Centre

By Road

For Sat Nav users please enter post code: **CV3 4FJ**
or follow signs for Coventry Airport.

Approaching from either the A45 or A46, turn off the major roundabout (under construction) towards the Airport and 1st left off the small roundabout onto Siskin Drive. Then look out for the large yellow building, approximately half a mile up on your left hand side, 100 yards before the next roundabout.

YOUR INVITATION to NCMT's largest OPEN HOUSE

Showing 14 machines including
the latest technology from
Okuma | Okamoto | Makino

Speroni | Blue Photon | Hexagon Metrology
Delcam | Kennametal
and Fanuc Automation

May 13th-14th Coventry, UK

NCMT Middlemarch Technical Centre

NCMT Open House Agenda

Location: NCMT Middlemarch Technical Centre

Date: Wednesday 13th May 2015
Thursday 14th May 2015

- 9:30** Coffee/Tea on arrival/Registration
- 10:00** Opening Presentation on Technology
- 10:45** Open Showroom
- 11:30** OSP Suite & Okuma Intelligent Technologies
- 13:00** Lunch
- 14:00** OSP Suite & Okuma Intelligent Technologies
- 15:00** Coffee/Tea Break
- 15:30** Free Prize Draw - your chance to win a tablet

Please come along and see for yourself the innovative technology being demonstrated.
