HEXAGON

Geospatial Content Solutions User Group Meeting 2020

Creating smart digital realities with airborne mapping solutions

**SEVILLE, SPAIN
19 - 21 FEBRUARY 2020**

Smart digital realities

The annual User Group Meeting for Geospatial Content Solutions will be held from 19 - 21 February 2020 at the Hotel Barceló Sevilla Renacimiento, in Seville, Spain.

Join us for this exclusive industry event where you will learn about the latest innovations in airborne imaging and LiDAR mapping. Hexagon customers and product experts will present the latest projects from around the world and the social program will allow you to network with colleagues and friends.

Venue & accommodation

Join us at Hotel Barceló Sevilla Renacimiento, located on the banks of the Guadalquivir River, just a few minutes from the historical centre of Seville. www.visitasevilla.es
