

# AIRBORNE USER GROUP MEETING 2019

Smart digital realities

ESTORIL, PORTUGAL  
27 FEB - 1 MAR 2019

# SMART DIGITAL REALITIES

The annual Airborne User Group Meeting is held from 27 February - 1 March, 2019 at the Palacio Estoril Hotel in Estoril/Lisbon, Portugal.

By joining us for this exclusive industry event you will learn about the latest innovations in airborne imaging and LiDAR mapping. Valued customers and product experts will hold presentations, allowing you to discover the latest airborne projects from around the world.

## Venue & accommodation

Join us at the Palacio Estoril Hotel where you travel back in time. During the second world war, the hotel was very popular amongst European royalties as well as British and German spies. The latter inspired the filmmakers of the sixth James Bond movie, On Her Majesty's Secret Service, who chose the hotel as main set.

## Registration rates

Early bird rate:	EUR 95.00 (applicable until 18 January 2019)
Normal rate:	EUR 195.00

Companies with Gold or Silver Customer Care Packages attend free of charge. Please contact your local sales representative should you have questions.

Don't miss out and register now!

## PRELIMINARY AGENDA | 27 FEBRUARY - 1 MARCH 2019

	Wednesday, 27 February		Thursday, 28 February	Friday, 1 March	Saturday, 2 March	
09:00			Hexagon – Current & Future Outlook John Welter, President GCS, Hexagon	What's new? Airborne Imaging & Hybrid Sensors Poul Noergaard, CPO, Hexagon Geosystems		
09:30			Ireland – Current & Future Outlook Paul Kane, General Manager, Ordnance Survey Ireland	Major UK Cities in 3D – A CityMapper Project Bluesky, UK		
10:00			Catalonia – Current & Future Outlook Institut Cartogràfic i Geologic de Catalunya	Customer Presentation	Shuttle Service to Airport & Lisbon	Estoril Golf Course  18 Holes  HCP 69
10:30			Coffee Break	Coffee Break		
11:00			What's new? HxGN Content Program Paul Smith, PM, Hexagon Geosystems	What's new? Airborne Bathymetric 4X Technology Anders Ekelund, VP, Hexagon Geosystems	Sintra Jeep Safari	
11:30	Coffee Break	3D High Definition Imaging in the U.S. Magnus Olson, SVP, Geomni, U.S.	High Resolution Airborne Bathy in Tonga & Niue Carol Lockhart, CEO, Geomatics Solutions, U.S.	Bad weather alternative: wine tasting		
12:00	Shuttle Service  Lisbon Airport to Hotel Palácio	Hands-on Workshop Workflow Update HxMap for LiDAR – Part 1	HxGN Content Program Europe Simon Musäus, SVP, COWI	Customer Presentation		
12:30		Mark O'Neal, PM, Leica Geosystems	Lunch in Hotel	Lunch in Hotel		
13:30		Coffee Break	What's new? Airborne Topographic LiDAR Ron Roth, PM, Hexagon Geosystems	New Leica Aibot UAV Solution Anne Pitkaenen, MM, Leica Geosystems		
		Hands-on Workshop HxMap for LiDAR – Part 2	Customer Presentation	Fusing Airborne & Mobile Mapping Data Bearing Tree Land Surveyors, U.S.		
14:00		Mark O'Neal, PM, Leica Geosystems		Customer Presentation		
14:30		Coffee Break	Customer Presentation			
15:00		Hands-on Workshop 4X Bathymetry Workflow	Coffee Break	End of UGM Program		
15:30		Daniel Gustafsson, PM, Leica Geosystems	What's new? HxMap High Performance Workflow Felix Rohrbach, PM, Hexagon Geosystems			
16:00			Digitising the World with AI on Aerial Imagery Manuela Rasthofer, CEO, Terraloupe, Germany	Shuttle Service to Airport & Lisbon		
16:30			Oblique Photogrammetry meets LiDAR Dr. Isabella Toschi, Kessler Institute, Italy			
17:00						
18:30	Welcome / Program					
19:00	Welcome Reception		Shuttle Service	Shuttle Service		
20:00	Dinner Hotel		Dinner out Lisbon	Meet the Leica Team (optional)		
			Shuttle Service	Shuttle Service
